

Careers in Database Technologies

Introduction:

Why are you taking this course?

What are your hopes and expectations in learning about databases and database software?

Careers in Database Technologies

“Working hard for something we don’t care about is called ***stress***. Working hard for something we love is called ***passion***.”

– ***Simon Sinek***

Careers in Database Technologies

“Great companies don’t hire skilled people and motivate them, they hire already motivated people and *inspire* them.”

– *Simon Sinek*

Careers in Database Technologies

“People don't buy what you do; they buy *why* you do it. And what you do simply proves what you believe.”

– *Simon Sinek*

Careers in Database Technologies

“He who has a *why* to live for can bear almost any how.”

- Friedrich Nietzsche

Careers in Database Technologies

Think about your "**why**".

Your *passion* drives the reasons why you do what you do.

What is your vision of who you want to be?
